

Accident Assistance

In the event of an accident call
WESTERN SMASH REPAIRS
9624 5900

Your call will be answered by one of our trained Professionals, who will record all your details & arrange a tow truck if required.

Once at our premises we will assist you with the lodging of your insurance claim and arranging of your vehicle's assessment.

We can also arrange a customer replacement vehicle to have you back on the road. (subject to availability)

OTHER VEHICLES INVOLVED

If another vehicle is involved ensure you obtain their full details for your insurer by filling out the accident information section provided overleaf. You also need to supply your full details to all other party's involved.

WITNESS

Record the name & contact details of any witnesses & provide their details to your insurer to assist with your claim.
